

# Western Region Family Basketball Tournament 2025

Congratulations to our St. George Teams! It was an action-packed basketball weekend, with games running all day Saturday. Each game was thrilling, especially with the Women's team, a combined St. George and St. Mary's team, going into two overtimes and the Men's team playing a nail-biter! Our teams returned with some impressive trophies!

**JOY** secured **2nd place**, **GOYA Boys** took **3rd**, **GOYA Girls** clinched **1st place** for the third consecutive year, and the **Women's team** also finished in **1st place**. What a fantastic achievement for everyone involved!

Trophy presentations to be scheduled soon! Next year the tournament will be at St. Mary's Mpls.
