The Orthodox Study Bible is the fruit of over twenty years of labor by many of the best Orthodox Christian theologians of our time. It includes comprehensive study guides and teachings that bring to our modern world the mind of the ancient Christian Church. It is the first ever full-length (Old and New Testaments) *Orthodox Study Bible* in English.

This Ancient Faith Edition of the Orthodox Study Bible was released in 2019:

- Stunning cover design and ribbon marker (hardcover)
- 8 additional pages containing pre- and post-Communion prayers from the *Ancient Faith Prayer Book*
- Commentaries, notes, supplemental articles, and full-color icons and maps.
