

CHANDELIER UPDATE

We have the pleasure to update you with the progress of the 10 new chandeliers from Petros Anagnostou, the owner of Naos, Orthodox Church Supplier, Inc. The chandeliers will be shipped on the Dormition of the Holy Theotokos, on August 15, 2023, and will arrive around August 21, 2023. These chandeliers are replacing the current 10 chandelier of Annunciation Cathedral, which were the ones in the basement when the Liturgy was celebrated. When the chandeliers arrive, they will be installed and hung on the ceiling by Petros Anagnostou and a certified electrician. We want to share with you a few photos of the preliminary stages of creating the brackets, piece by piece, alongside with the final gold-plated state of production.
