

**April 6, 2025**

**We will be receiving a fragment of a Holy Relic of St. Georgios the New Martyr, patron Saint of Ioannina and the Hellenic presidential guards "Evzones" from His Grace Metropolitan Maximos of Ioannina.**

**A small procession will take place in order to place the Holy Relic on the New Reliquary Vessel.**

**St. Georgios the New Martyr of Ioannina became a Martyr, for the glory of God, on Monday, January 17, 1838, and from that day onwards he always miraculously intercedes for whomever faithfully believes in him even in our days. St. Georgios will always be for us a Heavenly Godly light.**

**Please come and join us for a day of prayer and veneration on this historical day along with the Epirotic Society of Michigan and the Panepirotic Federation of America.**

**Divine Liturgy • 10 a.m.
