

GFF Volunteers Needed

Our 2024 Greek Food Festival (GFF) is **July 26, 27, & 28**. The workshops will begin in mid May. We need all hands on deck to have a successful GFF.

Please consider volunteering for workshops, helping out the week before and during the GFF. **Our community needs your help!** Whether you are an experienced GFF volunteer or new to it all, it's a great opportunity to have some fun and contribute to our church community.

We will be sending out an update of workshop times and other volunteer opportunities shortly that will include a link to Sign-up Genius with a list of all volunteer opportunities. Also, there will be a GFF Volunteer Information Poster in the Narthex with the latest updates.

Please feel free to reach out to Gina Dussi @ ginadussi@gmail.com or Stephanie Lemnios at sblemnios@gmail.com with any questions that you may have.
