

Greek Food Festival 2024

The Giving Tree

The annual Greek Food Festival is our Church's most important event – it brings young & old together and raises funds to help our church continue to operate and flourish.

The Giving Tree is simply a means of generating resources for our festival.

We are calling upon all our parishioners to step up and donate items on our wish list
(or the cash equivalent) to help jump-start the event.

**For every dollar raised, our Tree will bloom.
Please join us and contribute to another successful festival!**
