GOYA: WHO WE ARE & WHAT WE DO

Make Connections

GOYA is a ministry of middle and high school teens from grades 7th to 12th. The mission of GOYA is to help our teens build bonds and friendships while simultaneously connecting to their Orthodox faith.

Retreats & Acts of Service

Retreats are immersive experiences designed to strengthen the faith and fellowship of our teens. They blend spiritual growth and community building to foster deeper connections to faith and peers. Our GOYANs participate in acts of service throughout the year emulate Christian values while teaching them responsibility and compassion.

Folk Dance & The Arts

Our GOYANs have opportunities for peer bonding by participating in our Boys and Girls basketball teams, performing with our Greek folk dance group and taking part in the annual Delaware Valley Youth Commission "Sights and Sounds" event. This years MDF (music and dance festival) will take place in Philly, giving all youth in the region a chance to come together and share their God given talents.

Outings

Our teens participate in a variety of outings throughout the year to further develop their bonds and connections. You can meet them on the beach, the ski slopes, the farm and much MORE!
