Dear Fellow Saint George Greek School Families:

We hope that you are enjoying your summer holidays and our letter finds you in good health. Greek School classes will begin on Tuesday, September 9, 2025 at 4:00pm, with an *Agiassmo Blessing*.

Please find enclosed our updated "Greek School Registration Procedures and Forms" for the upcoming 2025-2026 Greek School year. This year again, we aim to complete the registration process before the first day of school. It is kindly requested that you properly fill out all the attached forms to complete your registration either in person or by mail. We would like to draw your attention to the following:

We kindly ask that you comply with these procedures in order to ensure a smooth registration for all involved.

***Please be reminded that as per school policy, everyone is to enter and exit through the GYM doors only throughout the school year unless otherwise indicated.*** Parents, please do not drop off students or park in front of the Church or in the handicap spots. On 9/9/25, we will first gather in the gym area prior to entering the Church. Following the blessing service, the students will proceed to their respective classrooms. Parents, please be on time to pick up your child in the GYM at the regular dismissal times as stated on the attached documents.

We are looking forward to seeing all of our Greek School students back in our classrooms at our St. George Greek School! We also will continue with the innovative technology learned by our staff members that supports our classrooms in Greek language learning. There has been a positive and effective outcome with the use of technology by both our parents and students for the last few school years, and therefore, we will continue to be using these components in our instruction. (For examples, we will continue to use Zoom on snow days; Google Classroom for part of Classwork, Homework, Assessments and Grades; The Ellinopoula online platform or similar for supplemental Greek teaching techniques and effective interactive student learning.)

We thank you in advance for your attention and anticipated cooperation. We look forward to seeing everyone in September for another memorable and successful year of Greek Language and Greek Culture education.

With warm regards,

✙ Fr. Peter Souritzidis  
Protopresbyter

Mrs. Joyce Logothetis  
St. George Greek School Director

CC: Mr. John Pilavas, Parish Council President  
Dr. Anastasios Koularmanis, St. George Greek School Board Chairman  
Mr. Nick Marcopulos, St. George Greek School Board Member
