

HOMELESS MINISTRY NEWS

The Homeless Ministry ended the 2024 Ecclesiastical Year, serving those in need at Aviator Park on

Thursday, August 29. Glory to God, we were once again blessed with a beautiful night! A last-minute update from one of the Twelve Baskets Ministry churches informed us that the number of those coming to be served had continued to climb. We gathered what last-minute extra food

items we could and left, praying we would have enough! Perhaps because of the warm weather or the fact that it was the end of the month, the numbers last Thursday night were higher than expected. We had prepared for 60 but served about 70.

“So, they all ate and were filled, and they took up twelve baskets full of the fragments that remained.” (Matthew 14:20)

Our next scheduled serving date at Aviator Park is October 31st. Please mark your calendars and join us! Meanwhile, please support our HOPE/JOY Ministry in teaming up with the Homeless Ministry to collect gently used books for Project Home.

Prayers for a Blessed Ecclesiastical Year!
