

# HOUSE BLESSINGS

AFTER THE FEAST OF THEOPHANY

---

Fr. John will be visiting and blessing homes and businesses in January and February.

After the waters are blessed on Theophany, it is customary for parishioners to invite the priest to bring that holy water to their homes to bless it. The priest asks God to protect those in the home. Sprinkling with holy water rids the home of every evil, sanctifying it and recovering it for its original purpose of leading us closer to God.

On the day of your house blessing, at your icon corner (or on a table), please have the following ready.

- A small bowl of clean water (half-full)
- An icon
- A candle

House blessings will occur in sections by zip code.

If you do not see your zip code listed, or are not available on the assigned days, please contact the office to schedule your house blessing.
