

The background of the poster is a solid brown color, decorated with various autumn-themed elements. Large, stylized maple leaves in shades of orange, yellow, and red are scattered around the top and sides. At the bottom, there are several orange pumpkins and a light blue pickup truck. The truck is facing right and has a list of activities written on its side in orange capital letters. In the back of the truck, there is a stack of three orange pumpkins on top of a yellow hay bale.
