- If you have an ethnic recipe you would like to make, please do!
- Feel free to bake with someone else, combine your baking skills.
- We have recipes if anyone needs ideas.
- We will have freezer space available if needed prior to the festival.
- We have packaging available. Please see Robbie with any questions regarding packaging.
- We will have refrigerated coolers available the day of the event if your items should require refrigeration.
- It is helpful to know what you are making so we can be sure we do not have too many duplications!
