

St. George Greek Orthodox Church

Commemorative Paver Program

2024

Memorial Pavers

The Memorial area is located at the left (north) front of the Church as you enter. The landscaping will be done to promote a quiet and reflective environment that is well suited to a memorial area. We hope that many of our parishioners will find this a fitting way to remember loved ones that have passed away.

The area will have a large, five-foot-high black granite byzantine cross. The engraved pavers will be installed near the cross and along the walkways, but not in walking areas. So, they will be easily viewed but not walked on.

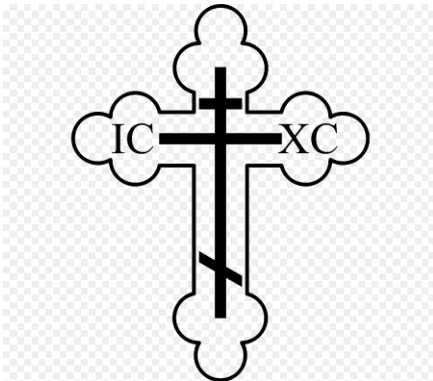

Original granite Memorial Pavers (made in 2003) will be re-engraved to match the current granite. If you had an original granite Memorial Paver made, please contact Fr. John or the church office (734.283.8820).
