

New Greek organization forming!

If you are a descendant of Greeks from what is today northern Turkey, chances are you are a Pontian.

We are looking for all Pontians and their spouses in the metro Detroit to form our organization called Panagia Soumela Detroit.

Some of the activities we plan to have are:

- Dinner Dances
- Conventions with Pontians from around the United States and Canada
- A youth group
- Youth conventions

At our conventions we will learn about Pontian history, Pontian dialect, and Pontian dances
