PROJECT MEXICO & St. Innocent Orphanage

“Missionaries of
the Church”

Project Mexico

Project Mexico provides safe, secure, permanent homes for families in Baja California with the help of selfless and hardworking volunteers with over thirty years of experience. Our mission provides sturdy structures and a foundation for families to build a better future and community.

St. Innocent Orphanage

St. Innocent Orphanage was founded in 1996 to provide children with love, hope and a safe home. The children are given a chance to live successful, productive lives and receive a comprehensive education. Most importantly, they are instructed in the Orthodox Christian life.

In 2023 Casa Cuna San Felipe opened as the only Orthodox infant orphanage in North America. With the support from our donors, Board of Directors and generous endowment from the Phillip Giannakis Foundation, the Casa Cuna houses up to 12 infants or toddlers and is located on the same 16-acre ranch as our Casa Hogar boys orphanage.
