

## Don't Forget Saturday May 10: Stamp Out Hunger Food Drive!

**Very Important Request:** On Saturday May 10<sup>th</sup>, there will be a nation-wide food drive collection going on sponsored by the National Association of Letter Carriers. Your letter carriers will pick up non-perishable groceries for our neighbors in need when they deliver your mail.

*You can help stamp out hunger and make a difference* by placing unopened canned and boxed items such as shelf-stable milk and powdered milk, soup, stews, chili, canned fruits and veggies, peanut butter, beans, tuna fish, pasta, sauce, rice and cereal - in a bag next to your mailbox. (Low salt/low sugar items are always welcome!)

**In Morris County, most donations are given to the Interfaith Food Pantry Network (IFPN). Over the past 17 years more than 413,000 pounds of food from the Letter Carriers Food Drive has been donated to the Interfaith Food Pantry Network and distributed to our clients. During these challenging times even more of your neighbors need our help!**

IFPN is celebrating 31 years of “neighbors helping neighbors” and has been supplying emergency and supplemental food since 1994 to Morris County residents in need. Our clients are low income working families, the unemployed, the disabled, and seniors living on fixed incomes. **In 2024, the Interfaith Food Pantry Network served over 10,000 Morris County residents (32% were children) each month and distributed over 2.3 million pounds of food.**
