

St. Gregory the Theologian Bookstore

September's Featured Books on "Orthodoxy at Home" will be available for viewing during coffee hour

Blueprints for the Little Church: Creating an Orthodox Home; *Elissa Bjeletich & Caleb Shoemaker* : A book of ideas for incorporating Orthodox life in your home, including practical ideas living out the church year and non judgmental encouragement for your family

The Church in the Home; *Dr. Constantine Cavarnos* : A small book with simple ways to reflect the church in the home and Orthodox living

Making God real in the Orthodox Christian home; *Anthony M Coniaris* : Instructions and activities for building the Orthodox faith and values in family life through prayers, fasting, icons, and church practices

101 Orthodox Saints; *Sarah Wright and Alexandra Schmalzbach, illustrated by Nicholas Malara* : A large, beautifully illustrated resource for getting to know more about Saints. Look for the second book "102 Orthodox Saints" coming to the bookstore soon!

Walking in Wonder: Nurturing Christian Virtues in Your Children; *Elizabeth White* : Focuses on Orthodox Christian virtues and how to instill them in our children in practical ways, drawing on the Holy Fathers for creating Orthodox attitudes and character qualities

Children in the Church Today; *Sister Magdalen* : Directed towards parents, caretakers, and teenagers and young adults getting ready to set out on their own – practical reminders and reflections for Orthodox living in various areas of life and family, even including social and leisure time
