

## Frequently Asked Questions

*How do I become a member of the parish?*

Membership in the Orthodox Church begins at baptism (Chrismation for some) and continues throughout our life. We are united with Christ through the sacraments, or mysteries, of the Church and through our faithful offering of our entire selves to Jesus Christ. Our Archdiocese requires each parish to distinguish between voting members and non-voting members. A voting member is over 18 years of age and turns in a signed stewardship commitment card, committing a portion of time, talent and treasure to the Church. The Archdiocese also requires the voting member to remain current through the year on their commitments. Keep in mind that true membership in the Body of Christ involves living according to His word and within His Church.

*Why must I commit to give a specific amount?*

Please keep in mind that your stewardship of money is kept in the strictest of confidence. However, we do compile the amounts anticipated to better plan our budget.

*What if I cannot fulfill my stewardship commitment?*

During the course of a year, circumstances change. Your stewardship is valued because it is made out of your love for God and His Church. Please do not be concerned if you are unable to meet your stewardship commitment – we are glad you are a part of this parish.

As we move toward becoming a percentage giving community, we are adopting a rounding up approach to giving.

We ask you to join the Parish Council and Stewardship Ministry who have pledged to give a percentage of their income.

Please join us in this commitment to achieve our parish vision.

To learn more about what this means, go to our web site or speak to a member of the parish council or the stewardship committee.

If you are not already a member of Saint Andrew, please consider a pledge starting out at 1% of your income.
