Pier-to-Pier Fundraiser

for Saint Gregory of Nyssa Greek Orthodox Church of El Cajon, CA

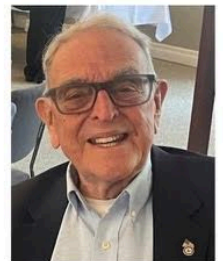

Part of our mission at Saint Gregory of Nyssa Greek Orthodox Church is to serve, heal, and uplift those in need. Under the inspiring leadership of 'Aquapadre' Fr. Simeon Corona, we have supported infants and at-risk youth in orphanages, ministered to the imprisoned, fed and clothed the homeless, and answered the call to serve others in need, near and far. With your help, we can continue to grow these vital programs and extend our outreach. We warmly invite you to join other priests, parishes, and members of the swim community for our Pier-to-Pier Fundraiser, and we ask for your prayers and financial support to sustain and expand this meaningful work.
