HELP US HELP THOSE IN NEED

Our current outreach supports the Living Waters Center of Hope, located at 10 Kirk Street in Lowell.

A non-profit organization founded in 1998, Living Waters is rooted in Christian practices and dedicated to providing compassionate and personalized care to those in need. Fueled by volunteers and funded by private donations only, Living Waters is a respectful and safe community of healing, where people have their basic needs met first, so they may re-discover their sense of purpose and connection to society.

Living Waters is currently serving more than 850 members of the Lowell community, and each year has more than 10,000 visits.

If you would like to contribute to this worthy cause a basket is located at the church entrance. Any donation of individually packaged personal care items, especially shaving supplies, brushes, lotion, cotton swabs and travel wipes are greatly appreciated.
