Saint Olga Michael: Mother and Midwife

### Sanctity of Life Sunday Presentation

**Saturday, January 18th, 2025**

The parish of St. Alexis, in Clinton, is inviting you to a presentation of the newly canonized saint, Mother Olga Michael.

The first part of the presentation will begin at 4:30p, followed by Great Vespers; reconvening again for a potluck dinner and the second part of the presentation.

The presentation will focus on the life of Mother Olga, the meaning of her life for us as a saint, how we too, may live a sanctified life.

Sanctity of Life is not only for “unborn” but also for those in need. We will be collecting donations of canned goods for the SSKP pantry here in Clinton, or for Zoe For Life.
