

ST. GEORGE SUNDAY SCHOOL

Welcome back to new year and a fresh start for Sunday School!

We would like to thank everyone for their dedication throughout the fall.

After careful consideration and discussion, we have decided on some new plans moving forward. As the situation changes in the spring, these plans may change as well.

Until further notice, **grades PK-6 will be taught virtually every week** with no in person instruction.

Grades 7-12 will remain on the every-other week in person/virtual instruction schedule. Some teachers may opt to have virtual instruction on in person days as well.

Please contact individual teachers with questions.
